

# April

# 2024

We are happy to finally see some signs of Spring! This month we have many musical performances, socials and crafts planned.

On April 8th around 3:20pm there will be a very rare but fascinating solar eclipse. A total solar eclipse happens when the Moon passes between the Sun and Earth, completely blocking the face of the Sun. The sky will darken as if it were dawn or dusk. At this point in time is it extremely dangerous to look at the sun without specialized glasses.

It is that time of year when everyone starts their Spring cleaning. Please remember to only put recycling and everyday garbage in the garbage room. Any household appliances, furniture etc. need to be properly disposed of by the resident or their family member.

Have a Happy Spring!

*Your Riverdale Terrace  
Family*

### **Please note:**

Starting April 1st, residents will be responsible for signing themselves in & out outside of reception hours. Please ensure you or your family signs you out and back in if you leave the building; this is to ensure resident safety. The current procedures will continue to remain in effect during the day.

Thank you in advance for your cooperation
