

November

2024 activities

With the winter weather upon us, please check that your windows and patio doors are firmly closed and locked at all times, and that all patio furniture is secured for the winter.

We are preparing for the coming of snow and in doing so we would like to ask residents to please bring your spare car keys to reception to aid with snow removal from the parking lot. Keys are securely locked away. Cars are only moved after a large snow storm to aid with clean up. Residents are responsible for cleaning off their cars during the winter.

With winter, also comes cold and flu season. We would like to suggest some useful tips to avoid getting sick— 1) Get the flu shot, 2) Wash your hands regularly, 3) Cover your mouth in your arm (not hand) when coughing, and 4) Stay in your room if you are ill. These suggestions will help you and your fellow residents stay healthy this winter season.

November 6th will be the RSV vaccine clinic from 2pm-4pm. Sign up along with the consent forms are located at reception. For any further questions; call Lindsay, Director of Care at Ext. 704.
